PITTA ELIXIR

A sumptuous satin nectar of concentrated Pitta rejuvenating phyto-nutrients to divinely wrap your skin while inflammation, sensitivity and pigmentation blissfully fade away as you sleep, deeply entranced by the rich aroma.

A beautiful lullaby in a bottle, this divine Pitta Elixir caresses your skin with a cascade of nutrition for intensive night time repair. Anti-oxidants, minerals, vitamins and phyto-nutrients calm, soothe and strengthen your sensitive, reactive and reddened skin, as you are enriched with Camellia, Argan, Tamanu, Rosehip and Jojoba. Boosted with extracts of Gotu Kola, Arjuna and Amla to repair and rebuild collagen and elastin, eliminate pigmentation, reduce inflammation and impart radiance and comfort. Precious plant essences of Rose Otto, Sandalwood, Roman Chamomile and Geranium restore capillaries, soothe irritation and increase cellular regeneration. This nurturing nightly ritual enables the unhindered flow of Prana for the ultimate overnight transformation of sensitivities into clear and luminescent beauty.

Ritual

1. Apply the Pitta Elixir on damp skin, ideally after using the Pitta Ayuressence.
2. Warm a few drops between your palms to help activate the phyto-nutrients and help them infuse deeper into your skin. Inhale deeply and enjoy the exquisite aroma.
3. Firmly press and release onto damp face and neck for 20-30 seconds. This press and release action allows for maximum penetration of actives.
4. Then gently massage upwards and outwards for 30 seconds or until absorbed.

Tips

Use the Pitta Ayuressence prior to using your Pitta Elixir. The Pitta Ayuressence increases your skin's circulation, hydration and opens the pores for ultimate absorption of nutrients from the Pitta Elixir. The plant essences in the Pitta Ayuressence work in synergy with the Pitta Elixir to provide ultimate radiance and glow.
