It contains a super luxe blend of non-comedogenic, non-acclusive, featherlight, deep penetrating plant oils of super critical Seabuckthorn CO2, Chia, Pomegranate, Argan, Jojoba and Rosehip to provide essential phyto-nutrients, omega fatty acids, anti-oxidants and vitamins to repair collagen damage, increase elasticity, restore the lipid barrier and prevent future damage. A symbiotic blend of Ashwaghandha, Fenugreek CO2, Liquorice, German Chamomile, Frankincense and Cypress work in synergy to increase vasoconstriction, subcutaneous circulation, drain lymph, increase cellular metabolism and reduce lipid deposits and milia under the eyes. A potent mix of lightening, brightening and anti-inflammatory constituents rich in Vitamin C, K, Chamazulene and mucilage polysaccharides to decrease pigmentation, dark circles, soothe sensitivity, giving you a firmness you can see and touch.

Ritual

1. Roll gently under both eyes as needed AM and PM.
2. Pat lightly around the eyes from the outer corner towards the nose with the ring fingers, taking care not to drag the skin.
3. Gently pinch the eyebrows with your thumb and forefinger outwards from the nose to the temples until absorbed.
4. Finish by massaging gentle circles around on your temples.
5. Close your eyes and take a few deep breaths.

Tips

Keep it in the fridge for a cool application which helps with vasoconstriction (tightens the blood vessels) and inflammation.
