TRI DOSHA RADIANCE ELIXIR

The ultimate powerhouse of elixirs this ruby red headily aromatic Ayurvedic skin food is prescribed in the ancient texts for imparting incredible radiance and luminescence to your skin.

Legendary for its potent transformative effect on rejuvenating skin by energising devitalised skin, while lightening and brightening the complexion to reduce pigmentation and blemishes. Richly emollient, healing, soothing and restorative it enhances your skin's texture and imparts firmness and tone for incredible softness and suppleness. Intensely moisturising, anti-inflammatory, nourishing and repairing this is a total multi-correctional game changer for skin. Hand blended with 26 precious and exotic Ayurvedic herbs including Saffron, Sacred Lotus, Holy Bodhi Fig and Flame of the Forest to dramatically increase cellular regeneration, collagen stimulation and deep hydration to minimise the signs of ageing and prevent premature ageing. Boosted with a precious Ayurvedic trio of deeply resonant and therapeutic essences of Rose Otto, Sandalwood and Jasmine, your skin will glow with transformation like never before.

Ritual

1. Apply the Radiance Elixir on cleansed damp skin, ideally after using your Ayuressence.
2. Warm a few drops between your palms to help activate the phyto-nutrients and help them infuse deeper into your skin. Inhale deeply and enjoy the exquisite aroma.
3. Firmly press and release onto damp face and neck for 20-30 seconds. This press and release action allows for maximum penetration of actives.
4. Then gently massage upwards and outwards for 30 seconds or until absorbed.

Tips

Massage a drop onto your temples for instant calm and as a meditation aid.
